## Notes

1. The Exchange refers to The Stock Exchange of Hong Kong Limited.
2. In the case of repurchase of units (units repurchased and cancelled) and redemption of units (units redeemed and cancelled), "date of event" should be construed as "cancellation date".  
 In the case of repurchase of units (units held as treasury units), "date of event" should be construed as "date on which units were repurchased and held by the Scheme in treasury".
3. The information is required in the case of repurchase of units (units repurchased for cancellation but not yet cancelled) and redemption of units (units redeemed but not yet cancelled). Please state the number of units repurchased or redeemed during the month or in preceding month(s) but pending cancellation as at close of the month as a negative number.
4. Items (i) to (vii) are suggested forms of confirmation. The Scheme may amend the item(s) that is/are not applicable to meet individual cases. Where the Scheme has already made the relevant confirmations in a return published under Paragraph 7 of Appendix E3 to the Main Board Rules in relation to the securities issued, or the treasury units sold or transferred, no further confirmation is required to be made in this return.
5. "Identical" means in this context:
  - . the securities are of the same nominal value with the same amount called up or paid up;
  - . they are entitled to distribution at the same rate and for the same period, so that at the next ensuing distribution, the distribution payable per unit will amount to exactly the same sum (gross and net); and
  - . they carry the same rights as to unrestricted transfer, attendance and voting at meetings and rank pari passu in all other respects.
